## Kentucky Lake News

For the first time on KY Lake, 20 Hawg Hawler boats lined up for two days of fishing a great body of water.

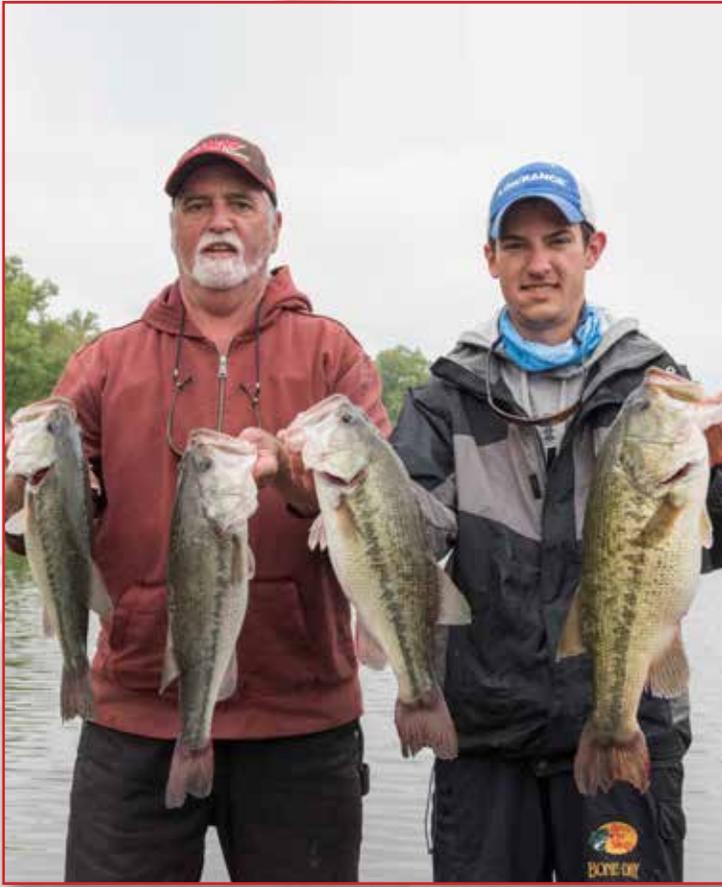

Saturday's weather started cloudy and gray in the low 50s but ended with blue skies and white clouds and in the 70s by weigh-in. Sunday was very cloudy with wet winds blowing up to 25 mph until weigh-in which made it feel colder than the low 50s to high 60s that it reached.

Water temps were a steady 62 degrees. Water clarity heavily stained and started 3+ ft. over normal pool but dropped nearly 2 feet by the time we left.

Overall, I think this was a GREAT tournament. EVERY boat weighed in fish on Saturday and only a couple came in empty on Sunday. There were LOTS of big fish to be caught with huge weights both days. I can't wait to go back!
