Wapp. Lake News

Wappapello brought 20 boats and the heat for our July 2015 tournament.

Both days, the weather started muggy in the low 80s and by weigh in at noon, was in the high 90s.

Water temps seem to hold around 84ish degrees and had a slight to heavy stain depending on location. Water level on Saturday was +1 ft. over normal pool but was dropping to give us normal pool on Sunday.

Overall, there were 136 fish weighed over a 2 day period.

A special thank you goes out to Andy Shands for his expert fish frying skills and to all that participated in making the fish fry a success.
