## M. Twain. Lake News

**Mark Twain** brought 22 boats, high waters and heat for our August 2015 tournament.

Both days, the weather started warm and stayed that way bringing temps in the low 90s. We had a nice breeze on Sunday which did help

Water temps seem to hold around 84ish degrees and had a slight to heavy stain depending on location. Water level was +10 ft. over normal pool but was dropping as fast as they could pull. Didn't make a noticable change over 2 days though.

Overall, there were 61 fish weighed over a 2 day period.

A special thank you goes out to everyone that made our Ice Cream Social such a "cool" event.
