

### **August 2016**

As you are all aware by now, we had to cancel our August Wappapello Tournament due to severe flooding. I was really looking forward to fishing Wappapello and was disappointed that we had to cancel, but I think the safety of our members takes priority over anything else. I think it was a wise choice to listen to the Army Corps of Engineers.

Now we only have 2 tournaments left! 6th Annual **Shimano** Tournament at Pomme de Terre 6th Annual **OPC Marine** Tournament at Lake of the Ozarks.

AOY & Big Bass – The current Angler of the Year is Bob Shibe with a comfortable 63 point lead! Don Nickel's 5.79 pound bass caught at April's Lake of the Ozarks still stands as this year's biggest bass.

**Kids Corner** - There are currently 6 youth anglers who qualify for the year end drawing for the Kid's Lifetime Fishing Permit: Kira Boegemann, Anthony Langanke, Danny Nickel, Steven Romaine, Matt Sims, and Ryan Sutton. You must fish 2 tournaments to be qualified and be present at the banquet for the drawing. If anyone knows of

an individual or company that would be interested in fully sponsoring or co-sponsoring another Kid's Lifetime Fishing Permit please let me know. It would be awesome if we could give more than one lifetime permit away!

**Pomme BBQ** - Next tournament at Pomme we are having a BBQ on Saturday night. There will be pulled pork, chicken, potatoes, and dessert. Additional details are on page 4. The cost will be \$8.00 per person. We hope everyone can attend.

**2017 Officers** - If anyone is interested in holding an officer position for 2017 or has questions regarding becoming an officer, please email me or come talk to me or any current officer at Pomme.

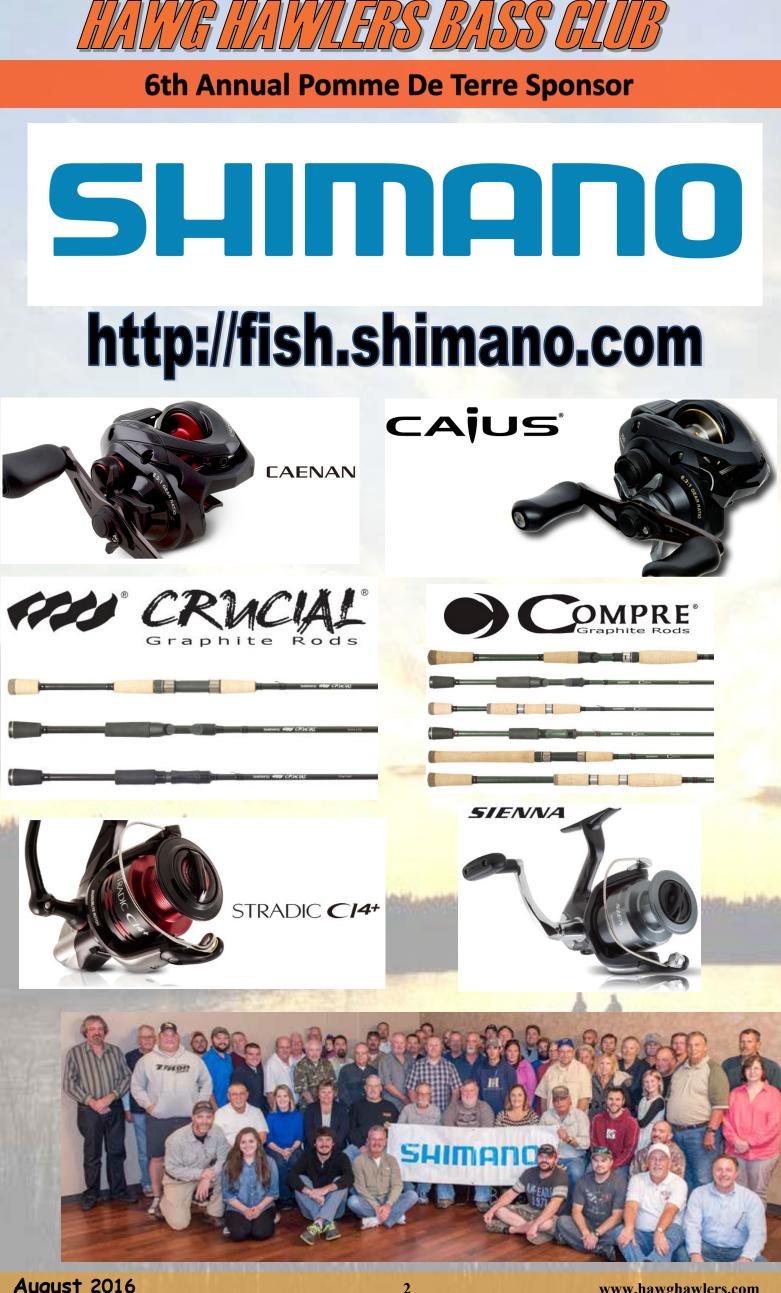

#### Hawg Hawlers 2016 Football Pool

The deadline to join the Hawg Hawlers Football Knockout Pool is coming fast. It only cost \$10 to participate! Please encourage friends, family and co-workers to join this year's pool for a chance to win some money and support our club. The money needs to be in before Sept. 8th when the first game begins. Please set up

**OPC Marine** has been a major sponsor of the Hawg Hawlers for years. There is simply too much to list! If you are having trouble starting your boat up for the first time this year

give OPC a call to get you back on the water. If you didn't winterize your boat in 2015, don't make the same mistake this year. Check out their 3 different Winterization packages before you put your boat up for the season.

**Culprit** is sponsoring us again for our Mark Twain tournament. They have tons of awesome beits that the They have tons of awesome baits that have been fooling bass for years. I personally love their Incredi-Craw for jig trailers and Carolina rigs. Check out their new 4" Incredi-Frog which features "Incredible" easy casting and leg action imitating a fleeing frog! The

body has tapered edges and a dense shape to make it heavier and more aerodynamic. The hook pocket enables easier hook-ups and the ribbed belly provides a smoother pull across vegetation. www.culprit.com

**G Loomis** - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what

you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of

affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled. http://fish.shimano.com
