Bob Shibe & Casey Cross took first place at Lake of the Ozarks catching 5 fish on Saturday and 5 fish on Sunday. They reported catching their fish on Gizzard Shad diving crankbaits and green pumpkin / watermelon candy Texas-rigged brush hogs. They were catching their fish in 8-12 feet of water fishing secondary points and the first inside 1/2 of coves. Congratulations to Bob & Casey! **First Place Payout was \$338**

Lake News

40 Boats battled it out on the first Lake of the Ozarks tournament of the year catching 125 fish in total (3.125 fish per boat average) Last year saw 36 boats catch 115 fish (3.19 fish per average). Bob Shibe & Casey Cross's winning weight of 26.56lbs with 10 fish was slightly up from last year (Greg & Andy Shands: 23.92 pounds with 9 fish). The weather was extremely nice and it was a great day to be on the water. With so many boats, we decided to do a drive-by livewell check that went exceptionally well.

I'd like to give a special thanks to Ken Boegeman for barbecuing and preparing the food for Saturday night's hot dog roast. It was a good time and everyone seemed to have a lot of fun. Thanks to all those who came out.

You smell like fish!

How many times have you heard that? As a fisherman, you may get used to the smell, but who wants that fishy smell when you break for lunch or, worse yet, when you get home to the family? Fish-D-Funk Fish Odor Removal Wipes make it easy to get rid of the stink!

Wipe hands after handling fish

What do you do after catching a fish? Wipe your hands on your pants? A Fish-D-Funk wipe will remove the odor (and slime) and save you from wearing the stink the rest of the day.

Use before lunch

So you've caught a bunch of fish and it's time for lunch. Your sandwich just doesn't taste the same when all you smell is fish slime. Fish-D-Funk Wipes completely remove the fish smell.

Clean hands after cleaning fish

What about after cleaning your catch? Your hands smell nasty! Ordinary soap doesn't work, but Fish-D-Funk will. No need to smell like fish any longer. Get Fish-D-Funk Odor Removal Wipes.

"This is a cool product. Kills fish slime in seconds."
