**Ken & Jacob Jones** limited out both days to beat a large field of 35 boats. They reported catching their fish on Alabama Rigs and Strike King 6XD Crankbaits on suspended fish over deep water. **First Place Payout was \$322.** Congratulations Ken & Jacob!

## Lake News

**Lots and Lots of Fish!!!!** 235 fish were weighed in on the weekend for a 6.7 fish per boat average. Several boats reported 30+ fish days with numerous fish just under the 15" limit. The water had been falling for several days and continued to fall about 3-4 inches per day during the tournament. I heard a ton of smallmouth were caught with the most productive areas being main lake and secondary points fishing the old bank line (12 FOW). The storm that moved through Friday night was pretty fierce and there were heavy rains at take-off. Even, so the fishing turned out to be great. With 35 boats registering for this tournament, it is apparent the Hawg Hawlers love Table Rock.

A big thanks to King's Cove resort for their hospitality. They provided a full-service breakfast on Saturday consisting of eggs, biscuits and gravy, sausage, fruit, and juice. Another big thanks to Dean Sullivan for preparing the pulled pork and those members that brought side dishes for Saturday night's festivities.
