Jason & Rich Shaw managed to stay in the lead for both days to secure the win on Kentucky Lake. No stranger to Kentucky Lake, Jason & Rich ran south toward Paris where there were reports of larger fish being caught on the banks preparing for spawn. Rich caught a 4.13lb largemouth on Saturday which was the biggest fish of the day. Congratulations Jason & Rich!

FRUSTRATING is the word that best sums up this tournament. The colder weather in the preceding weeks led most of us to think that we timed Kentucky Lake just right and there would be tons of spawning 4 and 5 pounders on every bank. Bites seemed to be few and far between as the majority of the club seemed to flip the flooded bushes in the backs of the coves with the hopes that hordes of fish would be there. No single angler caught more than 2 keepers per day. In fact, Jason & Rich Shaw were the only ones to bring 4 keepers to the scales in a single day as a team. Only 45 total bass were brought to the scales over the 2 day tournament. Who would have thought that the last freezing Lake of the Ozarks tournament with low 40 degree water would have brought nearly 3 times the fish to the scales!

At least we had a great event on Saturday evening at the Pavilion behind Sportsman's. Josh Harper slaved away at the BBQ pit cooking hamburgers and hotdogs for all to enjoy. We had a bracket style pitching contest that was a lot of fun and someone even broke out a cornhole game. Thank you to all who showed up, chipped in and those who brought side dishes. It's events like this that separate the Hawg Hawlers from the other clubs out there and helps build comradery and friendship amongst our members.

Not every competitive angler can load a casting deck with \$400 reels. Those who seek high performance without the high price tag will find a great casting partner in the **Ardent Apex Tournament Baitcast Reel**. Priced under \$100, the Apex Tournament brings the pro-level features Ardent reels are known for, to help you get the most out of your time on the water. The feature list includes Ardent's super-lightweight, highstrength aluminum frame; deep V6061 T6 machined aluminum spool; and a quality 8+1 ball-bearing system complemented by an externally adjustable 270-degree Mag brake. Extra details such as an extra-long, swept-back aluminum handle and swept-back forged aluminum drag star enhance the compact footprint of this well-designed reel, for great handling at the point of attack. Versatile 6.5:1 gear ratio.

Also, check out Ardent's technique specific Denny Brauer baitcasting rods. They have 9 models to choose from:

7' Topwater 7'10" Umbrella Rig 7'2" Spinnerbait 7'4" Frog 7'4" Football Jig & Worm 7'5" Flip and Pitch 7'6" Swimbait 7'6" Crankbait 7'6" Flipping Stick

Table Rock Event

Hawg Hawler BBQ - Saturday starting around 5:30pm. The club will be hosting a BBQ which is **FREE** to all club members. Like previous years, we are asking that you bring a side dish to share. Please let me know what you plan on bringing so we don't have numerous people bring the same thing. Side dish updates will be posted on the Hawg Hawlers message board. Some suggestions include:

- Baked Beans
- Chips
- Cole Slaw
- Veggie Tray
- Watermelon
- Deviled Eggs
 - Salad
- Potato Salad
- Dessert (Cookies, Cake, Brownies, etc...)

OPC Marine has been a major sponsor of the Hawg Hawlers for years. Schedule your boat for an Outboard Annual Service which includes checking main engine components, fluid levels, greasing fittings, replacing the water pump, spark plugs, fuel filter, gear lube, pressure test of gear housing seals, and much more. There is simply too much to list! If you are having trouble starting your boat up for the first time this year

give OPC a call to get you back on the water. If you didn't winterize your boat in 2017, don't make the same mistake this year. Check out their 3 different Winterization packages before you put your boat up for the season.

Ellis Battery is another long running sponsor of our club and is the sponsor of this years' Lake of Egypt Tournament. They can outfit your boat or truck with new and fresh batteries for the year. They have all kinds of batteries (lawn mower, laptop, cell phone etc...). Please call Ellis for all your battery needs!

YO-ZURI is a Major Sponsor for the Club this year. They have an awesome selection of hard baits, line and a new spinnerbait called the "knuckle-bait." Various assortment of colors and 3D Prism effects are absolutely amazing. You can find their products at Bass Pro Shops, Cabela's, Academy, Dicks or online at www.yo-zuri.com

G Loomis - With 8 different lines of bass fishing rods (NRX, GLX, E6X, GL2, Classic, Bronzeback Series, Fiber-Blend) you should have no problem finding the perfect rod for whatever type of technique you prefer. If you've never fished with a G Loomis rod before, you don't know what

you are missing. These are some of the most sensitive rods out there and built for serious bass fishermen.

Shimano is by far one of the world's most premier fishing tackle companies and highly respected by bass fishermen everywhere. Given the Curado's great reputation as the gold buy standard of

affordability priced bulletproof baitcasters, it's likely there are more of these reels in bass boat rod-lockers than any other make. It's hard to believe that even in the spinning reel world, Shimano hit another home run with their Stradic Ci4 (check the online reviews if you don't believe me). I recently picked up one of their Crucial rods a Bass Pro and let me tell you it is one of the lightest rods I've ever handled. www.fish.shimano.com
