## TRock 2 Lake News

**TRock2** brought 34 boats to go after fish in one of the best clear water lakes in Missouri.

The weather on Saturday held steady with clouds until around mid day when it rained off and on until weigh in time. Temps held steady in the upper 60s.

Sunday however was very nice and warmed up to high 70s by weigh in.

Water was 5 ft high and slowly rising with temps around 66 degrees. Water clarity was very clear in most areas with some color back in the creeks.

Saturday night's BBQ brought hard rain and thunder along with the Eureka High School Fishing team. It's great to see these kids taking such an interest in the sport. Kudos to the adult "sponsors" that make all this possible.
