Pomme de Terre Lake

Pomme II brought 26 boats to the lake for our second visit this year. (paying 7 places)

Both days, take off temp were in the mid/high 70s with a very slight breeze, but steaming up to the high 90s both days by noon. Sunday did offer a bit more cloud cover early, but still HOT!

Water temps depending on where you were ranged from 88 to 92 degrees, and lake level was at normal pool

Some teams had difficulty finding good limits due to the heat and tough bite, but from my experience, all the fish (even the dinks) were very lively and impressively healthy. A sign of a GREAT lake!

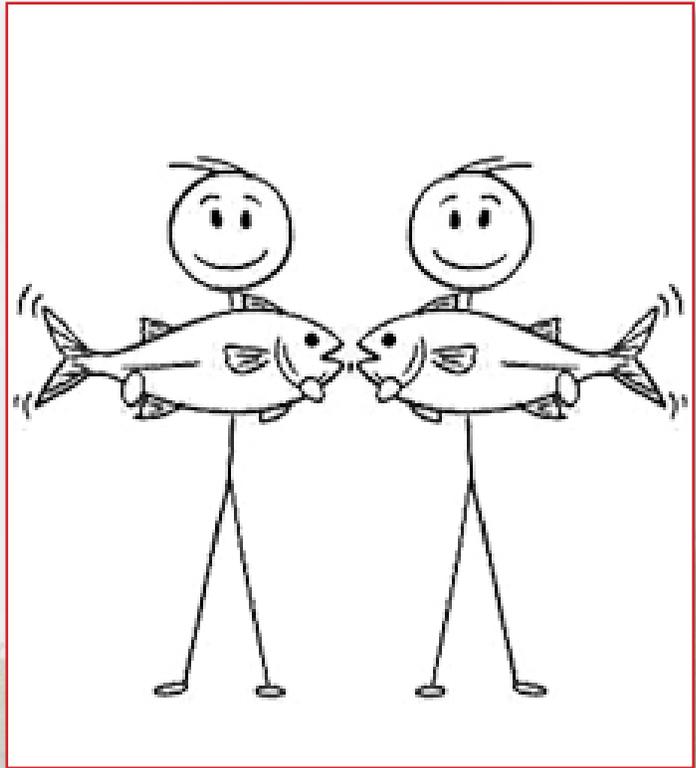

Winning baits were: jigs, senkos, shakey heads, chatterbaits, C-rigs, spooks and trick worms.
